

## **Christo and Jeanne-Claude The Tom Golden Collection**

In 2001 Tom Golden donated his collection of works by renowned artists Christo and Jeanne-Claude to the Sonoma County Museum. Golden's personal and professional relationship with the artists began when he met them during the 1974 public hearings for their project "Running Fence" in Sonoma and Marin counties, 1972-1976. Golden went on to manage or assist with a number of the artists' large scale projects. Golden's remarkable collection reflects his friendship with and admiration of Christo and Jeanne-Claude. Over 125 original drawings, sculptures, collages and photographs lovingly trace their impressive careers.
