

SONOMA COUNTY MUSEUM EDUCATION PROGRAMS

**SCM educates! Take advantage of our many resources
for teachers and students.**

FREE TOURS

Our docent-led tours are FREE for all school and student groups. Tours usually last 1 hour, and are tailored to the needs and ages of students and teachers. Tours are available Monday-Friday, 9am – 4pm. Please book 2 weeks in advance.

BUS FUNDS AVAILABLE!

With our help, your trip to the Museum will be FREE! The Museum provides funds to reimburse schools for busing to and from the Museum for school tours. Reimbursements are available for all schools that ask.

TOUR + ACTIVITY

Extend your tour with an optional hands-on art activity. These docent-led projects usually last 45 minutes, and are developed thematically in relation to our exhibits. Past activities include:

- Playing with Clay
- Learning through Collecting
- Woodworking

MATERIALS FOR TEACHERS

Our Educator Guides include exhibit information and context, and suggestions for classroom activities linked to your museum visit. Educator Guides are available online at SCM's website: www.sonomacountymuseum.org.
